aysam

OUR VISION IS TO BE THE LEADING COMPANY WORLD WIDE IN ORTHOPAEDIC DEVICES AND SURGICAL INSTRUMENTS WITH SUSTAINABLE GROWTH, BY FOLLOWING “CONTINUOUS IMPROVEMENT” AND ”QUALITY IS IN DETAILS” PRINCIPLE.

Aysam has adopted the Total Quality Management System beginning from raw materials to the end of sales services. With this understanding it has certified its quality with certificates such as **CE , ISO 9001, ISO 13485.**

Aysam aims to ensure the continuity of customer, patient and physician satisfaction in all conditions by educating and informing its staff at an advanced level in order to respond to requests from its customers faster and with higher quality. It increases it’s individual and institutional quality by updating it with continuous trainings and seminars.

Aysam continues to add new products to its **17344 product** range with R&D studies. It combines its 20 years of knowledge with modern technology and produces it’s products in a more innovative and qualified way.

aysamorthopaedics

With its customer feedbacks, R&D studies, specialist physicians, experienced engineers and modern infrastructure compatible with the requirements of the age, Aysam has adopted high quality, improved and innovative production as its principle.

With export to five continents for 20 years, Aysam is increasing its number of distributors day by day and advancing its goals with firm steps. Aysam continues its activities in full harmony and loyalty with its dealers and distributor companies & participates in the national, international fairs and congresses and introduces its products that it offers to the service of the Medical World.

Aysam is rapidly approaching its goals with its understanding of service that does not compromise on patient, physician and health personnel health, customer satisfaction and quality, and with its structure open to innovations.

www.aysam.com.tr

We produce best quallty products accordlng to ISO 13485/MDD.

We always support our customers and distributors in the market.

Aysam has over 20 years experience on surgery instrument set production.

Innovation is our indispensable condition to move forward.
